Bidder's Checklist

Before the sale...

Have you read the flyer/catalog?

Nearly all questions a buyer may have are answered in the flyer/catalog.

Have you inspected the merchandise?

CAUTION: Do not bid on anything you haven't viewed. All items sold "as is, where is", and **ALL SALES ARE FINAL.**

Have you read the Terms of Sale?

These are the rules that govern each sale and provide you with the information needed for completing your purchase.

Do you have the correct form of payment?

Payment may be made in the form of cash, cashier's check (in U.S. funds) or a major credit card (Mastercard, Visa, Discover or American Express).

At the sale...

Have you registered to bid?

Your bidder number clearly identifies you as the registered bidder and authorizes you to bid on any item of interest. You are responsible for your bidder number and the bid you make.

Have you noted which lots are "Export Only"?

There are no exceptions to these export requirements. Purchase wisely. "Export Only" means the merchandise cannot remain in the United States.

Do you know which lot is being sold?

Bidding progresses very quickly, pay attention to the bidding process and be sure of what you are purchasing. A sale will not be canceled due to failure to pay attention or bidder misunderstanding.

After making a successful bid...

Payment of merchandise

Upon completion of bidding, the bidder should proceed to a cashier, where payment can be made, and the buyer will receive a buyer invoice and release documents (this is a receipt for purchase and is necessary to pick up the merchandise).

When must merchandise be removed?

The Terms of Sale provide removal dates and guidelines for both export only and domestic goods. Failure to comply may result in cancellation of sale and forfeiture of all monies paid.

Bidder Information

Inspection of Merchandise

Bidders are urged to view or inspect merchandise prior to bidding. Failure to view or inspect shall not constitute cause for cancellation of sale. URS may, at its discretion, provide photographs, slides, or a video presentation during the sale as a courtesy to its bidders. These presentations are reminders only: Bidders are warned against bidding on the basis of a photograph.

Why Inspect?

URS provides a brief description of the merchandise offered for sale. This description is to inform bidders of items available for sale and to give bidders enough information to determine if he/she is interested in inspecting the merchandise. Bidders are cautioned that all weights, measurements, descriptions, and export status listed on a flyer or catalog must be considered approximations and do not create warranty that the merchandise actually conforms to such description.

What is the condition of the merchandise?

Condition of items being offered for sale varies from "new" to "salvage." U.S. Customs and Border Protection and URS make no warranties or guarantees, written, expressed, or implied as to quality, quantity, condition, usability, weight, measure, year, model, mechanical condition, performance, or other specifications.

When to Inspect?

Bidders should inspect merchandise before bidding. The public is allowed to inspect the merchandise, or representative samples, at times scheduled by URS. Absolutely no access to merchandise is allowed without prior URS approval.

Buyers should also inspect merchandise prior to receiving items after purchase. Buyers are responsible to ascertain the accuracy of what he/she is acknowledging receipt of prior to removal.

Export Only Merchandise

What is export only merchandise?

It is merchandise identified by U.S. Customs and Border Protection to be sold as "Export Only." This means that this merchandise cannot be entered into the commerce of the United States. Without exception, "Export Only" goods must exit the country and cannot be registered, used, or sold again in the United States.

Is it possible to get a representative sample?

Representative samples of "Export Only" merchandise of quantity lots are available after payment in full. Buyer acknowledges that samples are for resale in foreign markets only. Buyer must ensure that samples are promptly exported and not returned to the United States or entered into the U.S. commerce system.

How do I go about exporting merchandise?

Export only merchandise is offered on the condition that all licensing and federal permits will be met by the buyer before exportation. URS does not warrant the availability of such licensor permits, nor provide a list of all the requirements that must be met. It is recommended that you engage the services of a broker or bonded carrier, who may be located in the Yellow Pages, if you are not familiar with all the export requirements. Buyers are responsible to obtain and comply with all export requirements. For detailed export information visit:

http://www.cbp.gov/xp/cgov/trade/basic_trade/export_docs/

What must I do to pick up my merchandise?

You must present the buyer invoice and release documents provided by URS to the storage vendor. Again, a Customs broker can help you with the in-bond requirements.

How long do I have to export my purchase?

General Order merchandise must be physically removed from the United States within 30 days after sale. Storage costs incurred after the time specified in the Terms of Sale are the buyer's responsibility.

What country may I ship my purchase to?

All countries have their own Customs laws and may or may not allow you to import your purchase into their country. Again, a Customs broker or U.S. Customs and Border Protection or the importing country can assist you in answering this question.

SELECTED TERMS & CONDITIONS OF SALE –
LONG BEACH, CALIFORNIA –
AUGUST 12, 2010

PLEASE NOTE For documentation purposes, the Departments of Homeland Security and Treasury and U.S. Customs and Border Protection (CBP) reserve the right to record and/or videotape any and all sales. All persons attending this sale are responsible to read, understand, and comply with the terms of sale as specified herein to be bound thereby.

REGISTRATION Persons wishing to participate in the bidding process of the sale are required to obtain, fill out, and submit a bidder registration form along with a valid Government-issued photo I.D. at the sale site prior to sale. Each bidder must obtain a bidder number and sales catalog to complete registration. Note: Each registered bidder is solely responsible for the use of his/her bidder number and any use by another person is presumed to be with the consent of and contractually binding on the registered bidder. In order to comply with the Electronic Freedom on Information Act Amendments of 1996 (5 U.S.C. 552 (2000)), bid results will be published on a Government-designated website and will include the following: lot number, lot description, purchase price, and successful bidder's name.

CONDITION & DESCRIPTION The condition of the items being offered varies from "NEW" to "SALVAGE." The buyer understands and agrees; (1) that any description or sample of the merchandise given or furnished by URS is derived from records and documents that may be unverified as to accuracy, is solely for identification, and DOES NOT CREATE ANY WARRANTY, expressed or implied, that the merchandise actually conforms to such description or sample; (2) all weights, measurements, and descriptions must be considered approximations and do not create any warranty; (3) that the merchandise is purchased and accepted by buyer "AS IS," and "WITH ALL FAULTS." URS MAKES NO WARRANTIES OR GUARANTEES WHATSOEVER WHETHER WRITTEN, ORAL, OR IMPLIED AS TO QUALITY, QUANTITY, CONDITION, USABILITY, SALABILITY, WEIGHT, MEASUREMENTS, OR OTHER SPECIFICATIONS.

INSPECTION Bidders are urged to inspect merchandise prior to bidding. Failure to inspect shall not constitute cause for cancellation of sale. Merchandise is available for inspection only at places and times specified by URS. Absolutely no access to merchandise is allowed without prior URS authorization. URS may, at its discretion, provide photographs, slides/samples, or a video presentation during the sale as a courtesy to bidders. Bidders are warned against bidding on any lot(s) based solely on the sample displayed or on the basis of photographs. URS makes no warranty in relation to these samples or photographs.

BIDDING Open and progressive, voice auction; it is the bidder's responsibility to pay attention to items being offered for sale and to bid on items in which he/she is interested. Normally, items are sold in the sequence listed in the sales catalog. Lot numbers are for administrative purposes only and do not describe the merchandise. CAUTION: Lot numbers identify a particular item or portion of items being sold; however, lot numbers posted on merchandise during public inspection may not match catalog lot numbers. Bidders are responsible to ensure the catalog or announced description of any item they intend to purchase matches the merchandise inspected. Sale of merchandise will not be cancelled due to bidder misunderstanding, failure to pay attention to the bidding, or failure to inspect merchandise.

WRITTEN BID Written Bids may be submitted in person or by registered mail and are subject to the same terms and conditions of sale as those bidders physically present at the auction. URS recommends using an overnight delivery service in order to ensure your written bid arrives by the date and time indicated. Acceptable method of payment will be cashiers check. Make cashiers check payable to **CBP/URS** for the bid amount. Indicate sale number and lot number or description on outside of sealed envelope. Please ensure that your name and phone number (or other means of contacting you) are included with your written bid. Mail all bids to URS, 10687 Gaskins Way, Suite 101, Manassas, VA, 20109, Attn: G.O. Auction. Bids must be received no later than 5:00 PM ET one day prior to sale date. Unsuccessful bids will be returned within five (5) business days via UPS.

DEPOSIT Total purchases of \$5,000 or less will require payment in full on day of sale. A minimum of \$5,000 is required on day of sale for all purchases over \$5,000. Once purchases reach \$5,000, an immediate deposit of \$5,000 is required.

SALE OF GOVERNMENT GENERAL ORDER MERCHANDISE PROPOSED GENERAL SALE TERMS AND CONDITIONS

1. GENERAL INFORMATION:

The placement of a successful bid at a Department of Homeland Security auction establishes a legally binding contract between the successful high bidder and U.S. Customs and Border Protection (CBP). The auctioneer's announcement of the high bid amount and the bidder's number establishes the contract which may be subject to final acceptance by the Government. This contract is bound by these Terms and Conditions as well as special terms and conditions published by the Contractor for the specific auction and other Federal regulations governing contracts for the purchase of Government merchandise. The successful bidder is legally bound to pay for merchandise awarded in accordance with his/her bid.

The contractor, URS, is acting as the agent of the Government with respect to the sale of Government merchandise.

2. ELIGIBILITY OF BIDDERS:

The Bidder warrants that he/she is not:

- (a) under 18 years of age;
- (b) an employee of any department or agency of the Federal Government prohibited by the regulations of that agency from purchasing merchandise sold hereunder;
- (c) an agent or immediate member of the household of the employee in (b), above;
- (d) the contractor, subcontractor or vendor, their agent or employee who has access to information concerning the merchandise to be sold at DHS/CBP auctions that is not generally available to the public;
- (e) presently debarred or declared ineligible for the award of contracts by any Federal agency in accordance with 41 CFR 101-45.6;

The contractor's subcontractor may not act as agent for a third party in purchasing DHS/CBP merchandise that is or has been in their custody

or control. For breach of any of these warranties, the government shall have the right to cancel the contract without liability.

3. REGISTRATION OF BIDDERS:

All persons wishing to participate in the bidding process of the sale are required to obtain, completely fill out, and turn in a bidder registration card at the sale site prior to sale.

An individual's signature/initials on the bidder registration card is an acknowledgment of his/her full and complete understanding of all terms and conditions of the sales contract and his/her agreement to be bound thereby. The sales catalog and sales brochure may also contain terms and conditions constituting part of the sales contract. Each bidder must present a Government-issued photo ID as a prerequisite of registration (i.e. driver's license, military ID or passport).

Each bidder will be issued a bidder number along with a sales catalog upon completion of registration. Each registered bidder is solely responsible for the use of his/her bidder number and any use by another person is presumed to be with the consent of and contractually binding on the registered bidder.

The registrant agrees that, should the registrant be the successful bidder on a lot, the following information regarding the transaction shall be published to a designated Government auction website:

- 1). The registered bidders name;
- 2). The lot number;
- 3). The lot description; and,
- 4). Purchase price of lot.

Electronic Freedom of Information Act Amendments of 1996 (5 U.S.C. 552 (2000)).

4. VIDEO RECORDING:

The contractor (URS) may videotape the conduct of sale which may be utilized in dispute resolution processing and for other purposes as needed.

5. INSPECTION OF MERCHANDISE:

The bidder is invited, urged, and cautioned to inspect the merchandise prior to submitting a bid. The failure to inspect merchandise shall not constitute cause for cancellation of sale. The merchandise or a photograph of the merchandise will be available for inspection at the places and times specified by the contractor. Absolutely no access to merchandise is allowed without prior contractor authorization.

6. ORAL STATEMENTS AND MODIFICATIONS:

Announcements may be made on the day of the sale to clarify merchandise status, catalog descriptions, or other information specific to a lot or item. These announcements take precedence over sales catalog information pertinent to that merchandise, but do not alter in any way the basic terms and conditions of sale. An errata sheet will be distributed to provide bidders with an up-to-date posting of lot additions, deletions, or modifications. The errata sheet information replaces the applicable corresponding information in the sales catalog.

Further, no interpretation of any provision of the sale contract, including applicable performance requirements, shall be binding on the Government unless furnished or agreed to, in writing, by the Contracting Officer.

7. ADDITION/WITHDRAWAL OF MERCHANDISE:

The Government reserves the right to withdraw from sale any of the items listed in the sales

catalog/listing or to sell at auction items not listed.

8. MERCHANDISE DESCRIPTIONS:

The Government warrants to the original Purchaser that the merchandise listed in the sales catalog for bids will conform to its description. This warranty is in place of all other guaranties and warranties express or implied. The Government does not warrant the condition, quality, or merchantability of the merchandise or its fitness for any use or purpose. The condition of items offered varies from "NEW" to "SALVAGE." The Purchaser understands and agrees that all merchandise is purchased and accepted "AS IS, WHERE IS" and "WITH ALL FAULTS."

The amount of recovery under this provision is limited to the purchase price of the inaccurately described merchandise. The Purchaser is not entitled to any payment for loss of profit or any other money damages, including special, direct, indirect, incidental, or consequential.

For Purchasers claiming recovery under the warranty of description, no refund will be made unless the Purchaser:

- a) submits a written notice to the Contractor within 30 calendar days of the date of removal that explains in what manner the merchandise was inaccurately described.
- b) If the Government agrees, then a full refund of the money received will be returned.

If a misdescription is determined before removal of the merchandise, the Government will keep the merchandise and refund any money paid. If a misdescription is determined after removal, the Government will refund any money paid if the Purchaser takes the merchandise at his/her expense to a location specified by the Contractor. The Purchaser must maintain the merchandise in the same condition as when removed.

(b) A lot will be sold to the highest bidder upon acceptance of the final bid amount by the Government. In the event the bidding does not exceed the Government's minimum reserve price, the auctioneer will close the bidding subject to acceptance by the Government.

For open and progressive voice auction sales, it is the bidder's responsibility to pay attention to items being offered for sale and to bid on those items in which he/she is interested.

(c) In the event of a dispute as to the amount bid, item or item number, and/or paddle number of the Bidder, the Government reserves the right to re-offer the item in question. Once the Government accepts a bid, a contract is established and the Purchaser may not withdraw the bid. The auctioneer will not accept unilateral conditions asserted by the high bidder.

11. CONSIDERATION OF BIDS:

The Government reserves the right to reject any or all bids, and to waive any technical defects in bids. If the minimum reserve price is not achieved, the Government may withdraw the goods at any time until the completion of sale.

12. FORMS OF PAYMENT:

Forms of payment are cash, cashier's check, or credit card (Visa, MasterCard, American Express, and Discover), where acceptable by the Government. 16. ISSUANCE OF PAYMENT/RELEASE DOCUMENTATION :

The Purchaser is responsible for making all arrangements for the packaging and removal of their purchases. When merchandise is described in the sales catalog as being boxed, packed, crated, skidded, or in containers, the Government does not warrant that the property, as packaged, is suitable for shipment. Segregation, culling, or selection of property for the purpose of effecting partial or incremental release will not be permitted. No partial release will be permitted. making arrangements for the removal of his/her merchandise so as not to delay removal.

All Purchasers or their authorized representatives will be required to present sale receipt(s) and release document(s) prior to the initiation of any shipment preparations. If a Purchaser designates a representative agent, broker or transporter to pick up their sale merchandise, the Purchaser must prepare and sign an authorization letter identifying the agent to act on their behalf. The transaction shall be null and void as to the Purchaser. The merchandise will be processed for resale at the next available auction.

24. REQUIREMENTS TO COMPLY WITH APPLICABLE LAWS AND REGULATIONS:

It is the Purchaser's responsibility to ascertain and comply with all applicable Federal, State, local, and multi-jurisdictional laws, ordinances and regulations pertaining to the registration, licensing, handling, possession, transportation, transfer, export, processing, manufacture, sale, use, or disposal of the merchandise listed in the sales catalog.
